

## OCR RESIDENTS GUIDE WEBSITE

OCR Residents Guide is a website independent of all OCR Committees and Ocean Club Resort Management.

For the past 12 years we have enjoyed the “OCR Residents Guide “which gives us a lot of information, such as –

- Items for Sales
- Site Maps of OCR
- Residents telephone numbers
- Trade Directory
- Photos of past events

All of the above and much more.

To keep it running it will cost approximately \$800 for the year. This cost has been borne by Geoff & Jill, number 57. Many committees over the years offered to reimburse them, however, they expressed that it was their contribution to OCR.

Now Geoff and Jill are leaving, and as the programme is theirs, they take it with them. It is copyright so we cannot copy the programme. Geoff has offered to run the programme from wherever they are in the world, as they did when on holiday in the USA, but he wishes to be paid.

The residents of OCR must decide if the website is to be kept going. If the answer is yes, where is the money to come from?

Come to the Residents Quarterly Meeting on 27 February 2026 at 4.00 pm. Your input will be greatly appreciated.
